OTHER WORLDS. Our sole knowledge of the people on other worlds and how far

the people there differ from our inhabitants, can only be guessed by comparison with animal nature on this small sphere of ours. More important to us is a knowledge of ourselves. "KNOW THYSELF" was an old Greek thought. How to take care of one's own body is not so simple as some think; the human mechanism is a wonderful thing and requires watching.

One man who has done more to teach the American people how to care for their bodies than almost any other, is Dr. R. V. Pierce, of Buffalo, N. V., the Author of the "Common Sense Medical Adviser." He says: It is not the quantity of the food eaten which produces strength and health (for some people can keep strong on a very meagre diet), but it is how much food is absorbed and assimilated by the blood and carried to nourish every organ of the body: It is, therefore, vitally necessary for the body that the stomach be in a healthy state. If disease of the stomach, or what is called "stomach trouble," prevents proper nutrition then the heart, liver, lungs, and kidneys do not get proper food-they are not fed on rich red blood, and in consequence, begin to show signs of distress. Outwardly these signs may be pimples and eruptions on skin, pale face, sleepless nights, tired, languid feelings, or, by reason of the nerves not being fed on pure blood, they become starved, and we receive a warning in the pain we call neuralgia. Rheumatism, too, is a blood disease. After years of practice and study Dr. Pierce found that an Alterative Extract, which he named "Dr. Pierce's Golden Medical Discovery," made from the extracts of several plants, invariably produced a tonic effect upon the system. It helped the process of absorption of the healthy elements in the food and increased the red corpuscles of the blood, as well as eliminated the poisons from the system.

Business is business. No time for headsches. Constipation causes them. Doctor Pierce's Pleasant Pellets cure them by curing the cause. Lazative and mild.

PERMANENCE OF CURE.

The Chief Merit.

Many so-called pile remedies will afford the user slight temporary relief, and the majority of sufferers do not expect more insetad of a convention, as heretofore, and than this. Women especially, after having tried every preparation recommended for the cure of piles, have come to the conclusion that there is no cure except by an operation. This is rightfully viewed with dread, because of the shock to the delicate nervous system of women, and many of those afflicted have resigned themselves to the situation with never a thought that there is any help in sight for them. We invite the attention of all such to the

CLOSE FIGHT WAGED IN TIPPECANOE CONVENTION

Nominations Made Only After Many Ballots-Indorsements of the Resolutions.

OTHER STATE POLITICS

Special to the Indianapolis Journal. LAFAYETTE, Ind., March 5.-Republicans of Tippecanoe county chose candidates this afternoon in the most exciting county convention ever held in Lafayette. For three offices, those of representative, county treasurer and county surveyor, the fight was close and determined and the successful ones were selected after many ballots. Thomas M. Andrew, of West Lafayette, was nominated for representative, defeating Clarence F. Jamison on the second ballot number of votes cast exceeded the number of delegates a third ballot was called for. This time Mr. Andrew received 123 and Jamison 99. Mr. Jamison moved to make the nomination unanimous and won loud applause by promising to help the successful nominee roll the largest plurality ver known in Tippecanoe county. There was a three-cornered fight for ounty treasurer. After three ballots were taken the crowd present to watch the proceedings became so enthusiastic in cheering for their respective favorites that they surged onto the floor and an attempt was made to clear it. This was accom plished after a great deal of trouble. J. ynn Van Natta finally won after Darius Frazier had withdrawn amid wild cheering. Van Natta received 128 to 90 for J. W Milligan. John B. Ray was nominated for sheriff by acclamation and the battle for the county surveyorship followed. After two ballots G. H. Stevenson was chosen over the other candidate. The convention closed with the nomination of county commissioners. Theodore McCabe was chosen after a long struggle and W. C. Davisson

was elected by acclamation. The crowd in attendance was enthusiastic in the extreme and the demonstrations were prophetic of the interest Republicans of Tippecanoe will enter into the election. Secretary of State Daniel E. Storms and Deputy Frank 1. Grubbs were present, as was also J. Frank Hanly and other distinguished political leaders.

The resolutions indorse Roosevelt nomination and election, indorse Fairbanks for Vice President, pledge support to Beveridge for re-election, as also to Congressman Crumpacker, commend the administrations of Roosevelt and Durbin and congratulate the people of State and Nation on the abiding prosperity following the inauguration of Republican policies.

It is my experience as a specialist of 30 years. In the book I tell how at last I found a way to reach difficult, deep-seated diseases. Thirty years of earnest, ardent toil in hospitals and at bed sides made it possible for me to write these

The book tells how I perfected my prescription-Dr. Shoop's Restorative. How by scientific experiment I traced out the causes that bring on chronic diseases. I found invariably that where there was a weakness, the inside nerves were weak. Where there was a lack of vitality, the vital nerves lacked power. Where weak organs were found, I always found weak nerves. Not the nerves commonly thought of, but the vital organs' nerves. The inside-the invisible nerves. This was a revelation. Then my real success began. Then I combined ingredients that would strengthen, that would vitalize, these nerves,

That prescription I called a restorative. It is known the world over as Dr. Shoop's Restorative. After that I did not fail to cure one case in each hundred. In the extremely difficult cases, my failures for five years were one in each forty

treated. I found cancer incurable. Cancer is for surgery, not medicine. Then how to get this prescription to sick ones everywhere was my thought. I must announce it in the public press. But, thought I, will they realize the real truth of my discovery, the real power of Dr. Shoop's Restorative? Then a way came to me-like an inspiration. "I will offer it to the sick on trial. Then they will know I am sincere-that my prescription is unusual."

I wrote a reliable druggist in each city and village in America. They agreed to co-operate with me. Now by any sick one, Dr. Shoop's Restorative can be taken at my risk. For a full month I will let you use it entirely at my risk. Send no money. Just write me for the book you need. When I send it I will tell you of a druggist near by who will permit the month's trial. Use the Restorative a month. Then decide. If you say to the druggist, "It did not help me," that will relieve you of any expense whatever. He will bill the cost to me. This is my way of clearing your mind of all doubt as to what Dr. Shoop's Restorative

No matter how prejudiced, you cannot dispute this absolute security I offer. You cannot resist an offer like this if you are at all sick. If you have a weakness, write me.
